# Great British Day Out

# 2.

Dear Friends,

On behalf of BritCham Shanghai, it is with great pleasure that I welcome you to our inaugural British Day - a whole-day outdoor event celebrating British culture, offering you a relaxing day with family and friends with fun activities, music, prizes, great food and drink.

We would like to take this opportunity to share special thank you to our Title Sponsor **Virgin Atlantic**, Platinum Sponsors **Fortnum & Mason** and **Vitabiotics**, Gold Sponsor **Nord Anglia Education**, Gold & Venue Sponsor **Wellington College International Shanghai**, Creative Sponsor **JWDK**, for their great support in making this event possible. We would also like to extend thanks to our many in-kind sponsors for their generous support and contributing expertise, those are: **Circle Harmony**, **Jiahui Health**, **Santa Fe**, **Asian Tigers**, and **Abacare**. Our appreciation and gratitude also extend to the media and community partners as well as prize sponsors for taking this event to the next level!

We have nearly 70 stakeholders today bringing a great variety of fun activities, from sports to STEAM, from afternoon tea to all range of British food and drinks, from a live band to young talents' performance, and more than 60 prizes that you can win from Village Green games, lucky draw rounds and Pub Quiz. I hope you can all find your favourite and enjoy the day!

# CREATE YOUR FUTURE

At a Nord Anglia school, we'll help your child develop the knowledge, creativity and resilience they'll need to succeed - whatever they choose to be or do in life.

Find out how your child can make their mark on the world and how we'll make every moment of their education count.

# Sunshine Club

Schools are environments where individuals experience a wide range of emotions.

In today's changing world, young people require greater support for their mental health and wellbeing.

At Wellington we developed the Sunshine Club, our unique approach to group drama therapy that instils confidence, cultivates empathy and builds resilience.
