About the Chamber

The British Chamber of Commerce Shanghai is a dynamic network of international businesses operating in China. Member companies and individuals are the heart of our organisation. We advocate best practices, we share knowledge, and we build long-lasting trustworthy friendships.

Our purpose is to make connections: connections that provide opportunities, empower businesses, and unite our community.

The Chamber continues to host 100+ events with 4,000+ attendees year after year, including roundtables, panels, presentations, summits, after-hours social activities, high-level VIP visits, gala balls, sports tournaments, and Awards.

About the Sustainability & ESG Business Summit

The Sustainability & ESG Business Summit is an annual business event organised by the British Chamber of Commerce Shanghai, gathering together British and Chinese business leaders, policymakers and thought leaders to discuss the latest trends and the future of sustainable best practices in China and around the world.

Previous Covered Topics

- UN Sustainable Development Goals
- UK and China's approaches to sustainable development
- China's carbon emission trading system and trading market
- Why is ESG important to businesses?
- How to create and maintain a sustainable business?
- From risk to opportunity: how ESG compliance can make or break a business?
- Enabling ESG investment through common principles and alignment
- ESG for asset management and what ideal ESG performances look like to investors?
- ESG disclosure — from TCFD to ISSB
- Connection and Integration - Responsible Supply Chain and ESG Management
- Supply chain ESG compliance challenges faced by Chinese enterprises
- Value Chain Collaboration
- Net Zero Carbon and the Circular Economy in China
- New Energy, Net Zero Energy Future
- Industry-leading Practice Sharing – FMCG, Fashion industry
